

# **PRIVATE USE OF PUBLIC RIGHT OF WAY – THE R-PERMIT**

## **9.7 Enforcement**

In general, R-Permit requirements and conditions are enforced through the investigation and inspection processes.

### **What is a violation?**

- 1) Occupying the public right-of-way without an R-Permit
- 2) Erecting structures that are not allowed by the R-Permit
- 3) Failing to comply with provisions of the LAMC
- 4) Failing to comply with permit requirements
- 5) Failing to comply with City Planning Specific Plan requirements

### **How will violations be dealt with?**

The R-Permit will be revoked.
