On-Line Sewer and Storm Drain Applications

Authority for S-Permit:
Municipal Code Section 64.12 - House Sewer Connection -Permit
(Amended by Ord. No. 160,478, Eff 2/8/78)

No person shall make, construct, alter, or repair any house connection sewer, bonded house connection sewer, special house connection sewer, industrial waste sewer connection, industrial waste storm drain connection, stormdrain connection, or special drainage connection, or any portion of any such sewer or storm drain connections, including sampling manholes, or connect any house sewer, soil pipe, or plumbing to any such sewer or storm drain connections or to a sewer or storm drain under the jurisdiction of the City of Los Angeles, without first obtaining a written permit therefor from the Board of Public Works.

Instructions:
Applying for a Sewer & Storm Drain Permit online is an easy process:

This online Application is for **Sewer & Storm Drain Permit**. To start your application, please select **'New Application for Sewer or Storm Drain'** on the left-hand side of your screen. Once this option is selected, an on-line application form will be provided on this screen.

Please fill in all fields and especially make sure to fill in the fields marked with *, otherwise your application will not be accepted. At the end of the on-line form, you will be required to provide a password with your application. This password and a reference no. that is automatically generated within the application will enable you to check the status of your application online 24 hours a day.

The City will process your application in order received. To check the status of your application, (<http://eng.lacity.org/spermits>) click on **"Check the Status of an Application"** on the left-hand side of your screen. Type-in the Reference No. and Password that you provided to gain access to your application.

PLEASE BE ADVISED, THE CITY PROCESSES APPLICATIONS MONDAY THRU FRIDAY, BETWEEN THE HOURS OF 7:30 AM TO 4:30PM EXCEPT HOLIDAYS.

Applicants who provides a valid email address will be notified of any missing information in their applications and/or when the application is fully processed.

SEWER PERMIT CAN STILL BE HANDLED AT OUR OFFICES.
For office locations, hours and phone numbers please refer to our [Frequently Asked Questions](#) Page.
