

INDEX

Sept., 1970

SUBJECT	SECTION NO.	SUBJECT	SECTION NO.
A			
Abandonment		Assessment Act Projects	E 141.12, E 141.22, E 810
Definition	E 030	Authorization for	E 811.23
Abbreviations	E 040	Change Orders	E 815.1, E 816.1
Active Company Appurtenances	E 043	Council Action Processing	E 811.2
Owners of Utility Pipes, Conduits, Rails, and R/W	E 042	Final Design Completed and Approved	E 813
Word or Words	E 041	Final Design Processing	E 816
Abstract of Title		Modification Stage	E 814.2
Definition	E 030	Payment for	E 133.21, E 133.213
Accident Records	E 651.22	E 133.211, E 133.212, E 812	
Acquisition		Preliminary Design Procedure	E 812
Definition	E 030	Preliminary Engineering Report (PER)	E 811.21
Procedures—See Procedures of Acquisition		Preliminary Petition Processing	E 811.1
Types of	E 054.2	Preliminary Project Processing	E 811
Actual Damage		Processed to Permit Construction	E 814
Definition	E 030	Project Construction	E 815
Addendum and Notice to Bidders	E 732.1	Project Cost Estimates	E 811.22
Adverse Possession		Project Report	E 811.2
Definition	E 030	Revision Stage	E 814.1
Agreement, Oral	E 054.21	1911 Act and 1941 Ordinances	E 810
Agreement, Verbal—See Agreement, Oral		Assistance to Religious Institutions	E 135
Alignment, Horizontal—		At-Grade Intersection	
See Horizontal Alignment		Definition	E 030
Alleys	E 262.13, E 412.11, E 610	See Intersections at Grade	
Alignment	E 612	Auxiliary Lane	
Concrete Fillets at Gutter Intersections	E 617.14	Definition	E 030
Construction	E 617.1	Average Daily Traffic	E 211.2
Cross-Sections	E 617	Definition	E 030
Cul-de-Sac	E 614	Average Spot Speed	
Curb Return Radii	E 615	Definition	E 030
Dead-End	E 614	B	
Driveway Encroachments, Grades	E 616.12	"B" Permits	E 733.15
Grade Breaks, Maximum	E 616.13	"B" Permit Requirements on Private Streets	E 681
Grade Determination	E 616, E 616.1, E 616.11, E 616.111, E 616.112	Backfill	
Grades for Driveway Encroachments	E 616.12	Definition	E 030
Gutter Arrangements at Intersections	E 617.14	Basic Capacity	
Location	E 611	Definition	E 030
Longitudinal Gutter Offsets from Centerline	E 617.12	Basic Grade Controls	E 321
Maximum Grade Breaks	E 616.13	Belt Highway	
Structural	E 617.2	Definition	E 030
Termination	E 614	Batch Processing System (Computer)	E 143.2
Warped Sections	E 617.11	Bench	E 482
Widths	E 613	Berms (Temporary Curbs)	E 431.2
Angle of Turn		Block Corner Property Lines	E 451
Definition	E 030	Borders	E 450
Appraisal		Broken Back Curve	E 310
Definition	E 030	Bulkheads	E 470
Appraisals of Property	E 055.2	Bundle of Rights	E 052.1
Approach Nose		Above the Surface	E 052.11
Definition	E 030	Below the Surface	E 052.12
Appropriation Estimate (Class "B")	E 141.2	Water Rights	E 052.13
Assessment Act Projects	E 141.22	C	
Capital Improvement Projects	E 141.21	Calculations and Problem Solutions	E 140
Permits	E 141.23	Cost Estimates	E 141
Appurtenances, Company, Abbreviations	E 043	Earthwork Computations	E 142
Apron, Driveway	E 630, E 635.12, E 635.13	Electronic Computer Applications	E 143
Arterial Highway		Capacity, Basic—See Basic Capacity	
Definition	E 030	Capacity of Gutter, Hydraulic	E 441.113
Artificial Grass	E 467.3	Capacity, Possible—See Possible Capacity	
Assessment		Capacity, Practical—See Practical Capacity	
Definition	E 030		

SUBJECT	SECTION NO.	SUBJECT	SECTION NO.
Permanent _____	E 431.1	Depressed Curbs, Proposed _____	E 635.112
Structural Types and Uses _____	E 431	Design of _____	E 635
Temporary (Berms) _____	E 431.2	Drainage _____	E 635.211
Type "A" Light _____	E 431.111	Driveway Approach _____	E 630
Type "B" Heavy _____	E 431.112	Effect of Side Lot Lines on _____	E 634
Type "C" Integral Concrete Curb and Gutter _____	E 431.113	Grading _____	E 635.21
Curves in Horizontal Alignment		On Improved Streets _____	E 635.1
Broken Back _____	E 310	On Partially Improved Streets _____	E 635.2
Compound _____	E 310	On Private Property _____	E 635.3
Long Radius _____	E 310	On Unimproved Streets _____	E 635.2
Reverse _____	E 310	Prohibited Locations for Approaches _____	E 632
		Side Slopes _____	E 630
D		Sidewalk Area of Apron _____	E 635.13
Dead-End Street		Streets With Curb Only _____	E 635.23
Definition _____	E 030	Streets With No Curb _____	E 635.24
Dead-End Streets _____	E 262.12	Types of Pavement _____	E 631
Dedication		Vehicular Vertical Clearance _____	E 635.4
Definition _____	E 030	Widths and Spacing of _____	E 633
Of Right of Way— E 131.1, E 131.2, E 131.3, _____	E 131.4	"X" Distance _____	E 630
Deed		"Y" Slope of Apron _____	E 630, E 635.12
Definition _____	E 030	Duties of Engineer During Construction _____	E 713
Definitions _____	E 030	Approval of Alternate Materials _____	E 713.2
Delay		Change of Design _____	E 713.1
Definition _____	E 030	Construction Progress _____	E 713.4
Density		Interpretation of Plans _____	E 713.3
Definition _____	E 030	E	
Depreciation		Earthwork Computations _____	E 142
Definition _____	E 030	Limit of Economical Haul _____	E 142.2
Design Capacity		Volume Calculations _____	E 142.1
Definition _____	E 030	Volume Computation Factor _____	E 142.3
Design Controls and Criteria _____	E 200	Easement	
Design Elements, General _____	E 300	Definition _____	E 030
Design Office Responsibilities _____	E 138	Easements	
Design Speed		Construction _____	E 054.232
Definition _____	E 030	Slope _____	E 054.233
Design Vehicle		Street _____	E 054.231
Definition _____	E 030	Elbow Curves _____	E 620, E 623
Design Vehicle Physical Characteristics _____	E 221	Electronic Computer Applications _____	E 143
Acceleration and Power _____	E 221.3	Batch Processing _____	E 143.2
Clearances—See listings under Clearances		Remote Access Terminals _____	E 143.1
Deceleration _____	E 221.4	Emergency Change Authorization _____	E 733.16
Height _____	E 221.13	Eminent Domain _____	E 053
Length _____	E 221.11	Definition _____	E 030
Minimum Turning Radii _____	E 221.5	Entry, Right of _____	E 054.22
Size _____	E 221.1	Estimates, Cost _____	E 141
Weight _____	E 221.2	Expressway	
Width _____	E 221.12	Definition _____	E 030
Design Volume		F	
Definition _____	E 030	Fee Simple	
Diamond Interchange		Definition _____	E 030
Definition _____	E 030	Fee Title—See Fee Simple	
Direct Compensation		Final Estimate (Class "A") _____	E 141.3
Definition _____	E 030	Final Inspection _____	E 740
Direct Connection		Areas of Disagreement _____	E 743
Definition _____	E 030	Areas of Inspection Jurisdiction _____	E 741
Direct Damages—See Direct Compensation		Changes Prior to Final Acceptance _____	E 744
Directional Interchange		Final Acceptance _____	E 745
Definition _____	E 030	Joint Inspection _____	E 742
Divided Highway		Financing _____	E 120
Definition _____	E 030	Gas Tax Funds _____	E 121
Donation		Miscellaneous Funds _____	E 123
Definition _____	E 030	Private Funds _____	E 122
Drainage Controls and Criteria _____	E 250	Requests for Immediate _____	E 137
Drainage of Driveways _____	E 635.211	Fire Hydrants _____	E 131.1, E 131.2, E 131.4
Driveways _____	E 630	Fixed Delay	
Apron _____	E 630, E 635.12, E 635.13	Definition _____	E 030
Depressed Curbs _____	E 635.11	Flared Intersection	
Depressed Curbs, Existing _____	E 635.111	Definition _____	E 030
		Flat Terrain _____	E 511
		Developed Land _____	E 511.2
		Undeveloped Land _____	E 511.1

INDEX—Continued

Sept., 1970

SUBJECT	SECTION NO.	SUBJECT	SECTION NO.
Subdivision Ordinance	E 131.1	Remodeling Improved Streets	E 660
Zone Changes and Conditional Uses	E 131.4	Benefits	E 661.1
Private Streets	E 680	Design Criteria (for Resurfacing)	E 662.1
"B" Permit Requirement	E 681	Grade Determination	E 664
Design Standards	E 681	Need for Remodeling	E 661
Driveway Only	E 681	Reconstruction	E 663
Future Public Street	E 681	Resurfacing	E 662
Minimum Improvement	E 681	Remote Access Terminals	E 143.1
Right of Entry	E 681	Replacement Cost—See Cost of Replacement	
Side Slopes	E 681	Reproduction Costs	E 055.21
Problem Solutions, Calculations and	E 140	Requests for Immediate Financing	E 137
Procedures of Acquisition	E 055	Responsibilities and Relationships— See Relationships	
Appraisals of Property	E 055.2	Responsibilities, Design Office	E 138
Condemnation	E 055.13	Resurfacing	E 662
Dedication	E 055.11	Design Criteria	E 662.1
Negotiation	E 055.12	Grade Determination	E 664
Order of Immediate Possession	E 055.131	Over Rails	E 662.2
Partial Parcel Acquisition	E 055.211	Retaining Walls	E 131.1, E 470, E 471
Procedures of Relinquishment	E 056	Reverse Curves	E 310
Requirements	E 056.21	Reversion	
Reversion	E 056.22	Definition	E 030
Vacation	E 056.1	Review of C.I.P. Lists	E 138.1
Withdrawal from Public Use	E 056.2	Revision Process of Manual	E 013
Project Cost Estimates	E 138.2	Right of Access	
Project Processing, Preliminary	E 811	Definition	E 030
Projects, Assessment Act	E 141.12	Right of Entry	E 054.22
Projects, Capital Improvement	E 132.1, E 141.11, E 141.21	On Private Streets	E 681
Property, Appraisals of	E 055.2	Right of Immediate Possession	
Property, City's Use of	E 054	Definition	E 030
Easements	E 054.23	Right of Way	E 812.34, E 814.13, E 814.241, E 822.5, E 823.2, E 823.4
Oral Agreement	E 054.21	Definition	E 030
Public Use	E 054.1	Right of Way Appraisal	
Right of Entry	E 054.22	Definition	E 030
Types of Acquisition, Rights, and Use	E 054.2	Right of Way Estimate	
Property Lines, Block Corner	E 451	Definition	E 030
Property Owner Liability and Responsibility	E 057.2	Rights of City, Legal	E 053
Chapter 22	E 057.21	Rights of Owner, Legal— See Legal Rights of Owner	
Chapter 27	E 057.22	Rights, Water	E 052.13
Property, Personal—See Personal Property		Rigid Pavement	
Property, Real—See Real Property		Definition	E 030
Property, Relinquishment of— See Procedures of Relinquishment		Rigid Pavement Design	E 422.2
Property, Value of—See Value of Property		Concrete Pavement Removal	E 422.23
Proposed Improvements		Concrete Pavement Thickness	E 422.22
Assessment Act Projects	E 810	Where Concrete Pavement Is Used	E 422.21
Preliminary Project Processing	E 811	Riparian Rights	E 052.13
Procedural Steps for	E 800	Definition	E 030
Purpose of Manual	E 011	Roadbed	
		Definition	E 030
		Roadside Control	
		Definition	E 030
		Roadway	
		Definition	E 030
		Rotary	
		Definition	E 030
		Rotary Interchange	
		Definition	E 030
		Running Speed	
		Definition	E 030
		Running Time	
		Definition	E 030
		S	
		Safe Stopping Distances	E 342
		Sanitary Sewers	E 131.1
