2010 FLOODPLAIN MANAGEMENT PLAN DISTRIBUTION

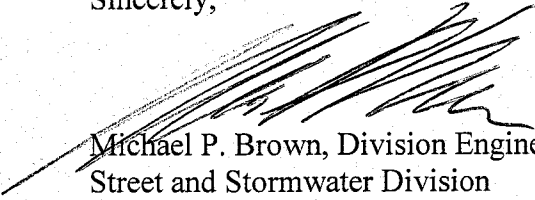

Dear Floodplain Management Plan Planning Committee Members and Stakeholders:

Enclosed is the 2010 Floodplain Management Plan (FMP) for the City of Los Angeles. This plan is the update to the original 2001 FMP and subsequent annual implementation progress report, the latest of which being the 2008 FMP Implementation Progress Report. This 2010 FMP incorporates comments by the FMP Planning Committee members which include citizen and City staff.

The Plan consists of three (3) parts: Part I – The FMP; Part II – Community Outreach Summary; Part III – FMP for Repetitive Loss Property (RLP). An electronic copy of the plan in pdf format is available on line at the following link: http://eng.lacity.org/projects/fmp/Final_plan.htm

If you have any questions, please contact Romano Galassi at 213-847-0405. Thank you.

Sincerely,

Michael P. Brown, Division Engineer
Street and Stormwater Division
