**PROPOSED REFERENDUM ORDINANCE FOR CITY-WIDE PARKS,**  
**RECREATION AND COMMUNITY FACILITIES ASSESSMENT**

AN ORDINANCE ORDERING FORMATION OF  
AN ASSESSMENT DISTRICT PURSUANT TO PROVISIONS OF  
THE LANDSCAPING AND LIGHTING ACT OF 1972  
(DIVISION 15, PART 2, STREETS AND HIGHWAYS CODE,  
STATE OF CALIFORNIA)

WHEREAS, parks, recreation and community facilities in the City of Los Angeles comprise the City's youth infrastructure and are an important part of providing positive alternatives for youth; and

WHEREAS, the City's youth infrastructure is inadequate or decaying in many places, resulting in serious unmet needs for park, recreation and community facilities; and

WHEREAS, the current condition of the City's youth infrastructure is detrimental to the residential and business climate and value of real property; and

WHEREAS, it is in the best interest of the residents, business owners and operators and property owners of the City that an assessment district be formed, which is coterminous with the City, to fund the purposes of the assessment district consistent with the plan of expenditures set forth in the City Engineer's Report referred to below; and

WHEREAS, the City Council on May 14, 1996 adopted an Ordinance of Intention to order the formation of an assessment district for park and recreation improvement purposes pursuant to the provisions of the Landscaping and Lighting Act of 1972; and

WHEREAS, the City Council gave notice in the manner required by law of the time and place for a public meeting and a public hearing on the question of formation of the District and levy of proposed assessment; and

WHEREAS, a public meeting was held on June 4, 1996, and a public hearing was held on July 9, 1996, and the City Council has heard protests, testimony, evidence and public comment and the City Clerk has determined that a majority protest does not exist; and

WHEREAS, this Ordinance shall not take effect unless and until the question of approval of the matters set forth herein shall have been submitted to the electorate of the City and approved by a majority of voters voting on the question;

NOW THEREFORE, the People of the City of Los Angeles do ordain as follows:

SECTION 1. This ordinance is adopted pursuant to Section 22594 of the California Streets and Highways Code. The City Council orders the formation of the assessment district pursuant to the provisions of the Landscaping and Lighting Act of 1972, to be known as City of Los Angeles Landscaping and Lighting District 96-1.

SECTION 2. The City Council hereby adopts, approves and confirms the final City Engineer's report filed with the City Clerk, including the diagram for the Assessment District and the Assessment. The Assessment is levied within the City in accordance with the City Engineer's Report and this Ordinance at a rate not to exceed the amount set forth in the City Engineer's Report. The City Engineer's Report describes the boundaries of the Assessment District, the locations of certain of the improvements to be funded by the District, the method

and rationale for spreading the proposed assessment in proportion to the benefit received by each lot or parcel of land within the District. Each of the protests to the Assessment has been considered and is hereby denied. The City Engineer's Report is by this reference incorporated herein as though set forth in full.

SECTION 3. The City Council finds, determines and declares that:

- (a) The acquisition, development, improvement, restoration and maintenance of parks, recreation and community facilities confers a direct and special benefit to all parcels in the City by improving economic, environmental, and recreational conditions and by improving the availability and utility of and access to parks, recreation and community facilities for each parcel, all resulting in maintained or enhanced property values; and
- (b) The properties referred to in the City Engineer's Report which are proposed to be assessed are benefited by the acquisitions and improvements provided for and the assessment is spread in proportion to the benefits; and
- (c) The written protests filed and not withdrawn prior to the conclusion of the public hearing do not represent property owners owning more than 50 percent of the assessable lands within the proposed district; and
- (d) The public interest, convenience and necessity require the creation of the City of Los Angeles Landscaping and Lighting District 96-1 to acquire, improve and maintain parks, recreation and community facilities City-wide.

SECTION 4. As used in this Ordinance the following terms have the indicated meanings:

“Assessment” means the assessment levied within the City pursuant to this Ordinance.

“Assessment District” or “District” means City of Los Angeles Landscaping and Lighting District 96-1, the boundaries of which shall be coterminous with the boundaries of the City.

“Code” means the Streets and Highways Code of California.

“Nonprofit Organization” means any charitable organization described in Section 501 (c)(3) of the Internal Revenue Code of 1986, as amended, which has among its purposes the provision of park, recreation or community services or facilities, providing services to youth, or providing gang prevention and intervention services.

“Park” means a tract, lot or parcel of land with scenic, natural, open space or recreational values, set apart to conserve natural, scenic, cultural, historical or ecological resources for present and future generation, and to be used by the public as a place for rest, recreation, education, exercise, inspiration or enjoyment.

SECTION 5. Funds shall be used for the purposes set forth in Attachment A hereto. Should any project become infeasible for any reason determined by the City Council or there are project savings, the City Council may reprogram the applicable funds during the process described in Section 13.

SECTION 6. In order to receive any funds pursuant to Section 5, nonprofit organizations, government entities and City departments must demonstrate the financial ability to provide programming and programming staff once the capital improvements are completed. The City Council by ordinance will establish an open and competitive process to allocate funds

designated in Section 5 for competitive grants, which will be available to nonprofit organizations, governmental entities and City departments for projects within the boundaries of the City. All funds for competitive grants shall be expended equitably city-wide. Priority for competitive grants will be given to projects, which address one or more of the following criteria:

- (a) Include an at-risk youth component, either by including training and employment of at-risk youth to implement the project or by providing facilities to serve at-risk youth;
- (b) Serve an area without similar services or facilities;
- (c) Permit expansion of an established, successful program to serve a larger population or to provide an increase in services;
- (d) Demonstrate community support;
- (e) Demonstrate high cost-effectiveness;
- (f) Demonstrate readiness of project;
- (g) Demonstrate sustainability of project;
- (h) Meet such other criteria as may be established by the City Council.

Regulations to administer these competitive grants shall be promulgated by an administering entity designated by the City Council by ordinance as specified in Section 9.

SECTION 7. Any park or facility acquired, developed, rehabilitated or restored with funds derived under this Ordinance shall be open and accessible to the public without discrimination as to race, color, sex, sexual orientation, age, religious belief, national origin, marital status, physical or medical handicap or medical condition.

SECTION 8. Reasonable public access to lands and facilities acquired with funds made available pursuant to this Ordinance shall be provided except where that access may interfere with resources protection. "Reasonable public access" includes, but is not limited to, parking and public restrooms.

SECTION 9. The expenditure of assessment funds and the overall management of the program projects, which together shall be known as the L.A. FOR KIDS Program, shall be administered by the City Council or by a City entity designated by the City Council by ordinance, which shall report to the City Council annually on the status of the L.A. FOR KIDS Program and shall provide for public distribution of the annual report.

SECTION 10. The City Council shall establish Volunteer Neighborhood Oversight Committees in various areas of the City to advise the City on setting priorities for when projects will be done, advise on the design of projects and prepare annual reports to the City Council on the status of the projects.

SECTION 11. The Assessment is hereby levied for a period of 30 years at the rate set forth in the City Engineer's Report to fund the acquisitions, capital improvements, and maintenance and servicing of those improvements as set forth in Section 5.

SECTION 12. For the 30 years during which the Assessment is levied and collected:

- (a) 82% shall be used for acquisitions and capital improvements, as set forth in

Section 5, inflationary increases over 30 years and debt service, if bonds, notes or other evidences of indebtedness are issued. All funds collected through interest or penalties shall be available to cover inflationary increases in acquisition and capital improvement costs over 30 years and debt service, if bonds, notes or other evidences of indebtedness are issued;

- (b) 3% of the total assessment over 30 years shall be designated for incidental costs which shall include administrative costs of the City; and
- (c) 15% of the total assessment over 30 years shall be designated for maintenance of completed acquisitions and improvements.

SECTION 13. Pursuant to Code Sections 22620 through 22631, proceedings shall be taken for each year in which the annual assessment is to be levied. A plan shall be submitted to the City Council by the administering entity specified in Section 9 each year the annual assessment is to be levied specifying in detail which acquisitions and improvements are planned for that year, any proposed new acquisitions and improvements, or any substantial changes in existing improvements. The City Council shall then order the City Engineer to prepare a report for consideration by City Council. The City Council shall then adopt an ordinance of intention pursuant to Code Section 22624 and provide notice of a public hearing pursuant to Code Section 22626. The City Council shall then adopt an ordinance confirming the diagram of the assessment and the assessment by June 30 of each fiscal year the assessment is to be levied.

SECTION 14. The City Council shall have the authority to issue bonds, notes or other evidences of indebtedness to fund all or a portion of the costs of the projects listed in Section 5 of this Ordinance. Such bonds, notes or other evidences of indebtedness may be issued in one or more series at such times and in such principal amounts as the City Council may determine in its sole discretion.

SECTION 15. (a) The Assessment for each parcel shall be collected by and be payable to the Los Angeles County Tax Collector with the general taxes levied for City and County purposes and shall be subject to the same penalties and enforcement provisions relating to general taxes or as provided in Code Section 22646.

(b) If any portion of the levy, collection or expenditure of the Assessment provided for herein is declared invalid or unconstitutional, the remaining levy, collection or expenditure shall not be affected but remain in full force and effect.

SECTION 16. There is hereby established a special fund in the City Treasury entitled Parks Assessment Fund (the "Fund"). All Assessments collected shall be deposited into the Fund and shall not be subject to reversion to the Reserve Fund. Interest, which accrues in the Fund, shall remain in the Fund. Monies deposited into the Fund shall be expended only for park, recreation and community facilities, incidental expenses, and maintenance and servicing for the improvements. Expenditures shall be made from the Fund as provided in the General City Budget or by Council resolution unless provided otherwise by ordinance.

SECTION 17. In case any provision of this Ordinance shall be found or declared invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions of this Ordinance shall not be affected or impaired thereby.

SECTION 18. This Ordinance shall not take effect unless approved by a majority of the voters of the City voting on the matter at a general or special election called by the City Council for such purpose. If so approved by the voters the District and the Assessment shall be deemed approved as of the date of the election, without regard to the date of certification of the election results.
