| LEAD CITY AGENCY AND ADDRESS: Department of Public Works Bureau of Engineering 1149 South Broadway, Suite 600 Los Angeles CA 90015-2213 | COUNCIL DISTRICT 7 |
|---|----------------------------------|

| | |
|---|---------------------------------|
| PROJECT TITLE: (Including its common name, if any) NORTH VALLEY FIRE STATION 7 (W.O. E170093B) | Council File: 12-0114 |
|---|---------------------------------|

PROJECT DESCRIPTION AND LOCATION: The proposed project is located on several vacant parcels located west of Van Nuys Boulevard in the Mission Hills-Panorama City North Hills Community Plan Area. The City of Los Angeles (City) is proposing to construct a replacement fire station at 14630-14666 West Plummer Street in the community of Panorama City. The existing Los Angeles City Fire Station No. 7 located at 14123 Nordhoff Street (approximately one mile away) cannot house the additional resources needed to meet present and future demands for fire protection services. Prior to construction, the City would acquire the property under consideration. The proposed project will use accrued interest and savings from Proposition F, approved by voters on November 7, 2000. The replacement fire station will include an approximate 15,500 square-foot facility and other associated improvements. Disposition of the existing Fire Station No. 7 at 14123 W. Nordhoff Street has not been determined at this time. Until such a determination is made, the Department of General Services would maintain the buildings.

CEQA Filing Fee No Effect Determination Form

Applicant Name: City of Los Angeles **Date Submitted:** October 27, 2011
Applicant Address: Department of Public Works, Bureau of Engineering, 1149 South Broadway, Suite 600, Los Angeles, CA 90015

Project Name: North Valley Fire Station No. 7

CEQA Lead Agency: City of Los Angeles, Department of Public Works
CEQA Document Type: (ND, MND, EIR) Negative Declaration
SCH Number and/or local agency ID number: Work Order No. E170093B

Project Location: 14630-14666 Plummer Street, Panorama City

Brief Project Description: The City of Los Angeles (City) is proposing to construct a replacement fire station at 14630-14666 West Plummer Street in the community of Panorama City. The existing Los Angeles City Fire Station No. 7 located at 14123 Nordhoff Street (approximately one mile away) cannot house the additional resources needed to meet present and future demands for fire protection services. Prior to construction, the City would acquire the property under consideration. The proposed project will use accrued interest and savings from Proposition F, approved by voters on November 7, 2000. The replacement fire station will include an approximate 15,500 square-foot facility and other associated improvements. Disposition of the existing Fire Station No. 7 at 14123 W. Nordhoff Street has not been determined at this time. Until such a determination is made, the Department of General Services would maintain the buildings.

Determination: Based on a review of the Project as proposed, the Department of Fish and Game has determined that for purposes of the assessment of CEQA filing fees [F&G Code 711.4(c)] the project has no potential effect on fish, wildlife and habitat and the project as described does not require payment of a CEQA filing fee. This determination does not in any way imply that the project is exempt from CEQA and does not determine the significance of any potential project effects evaluated pursuant to CEQA.

Please retain this original determination for your records; you are required to file a copy of this determination with the County Clerk after your project is approved and at the time of filing of the CEQA lead agency's Notice of Determination (NOD). If you do not file a copy of this determination with the County Clerk at the time of filing of the NOD, the appropriate CEQA filing fee will be due and payable.

Without a valid No Effect Determination Form or proof of fee payment, the project will not be operative, vested, or final and any local permits issued for the project will be invalid, pursuant to Fish and Game Code Section 711.4(c)(3).

DFG Approval By: John North-Park Leslee Newton-Reed Date: 11-9-2011
